Please stop by and meet your teacher and see the classroom!

---

## Target Population

- Children currently attending RECC or receiving services through PALS program who have been found eligible for Extended School Year (ESY) services

## Services Provided

- Related services (speech-language therapy, occupational therapy, and physical therapy) at RECC sites, as recommended for ESY
- Special instruction in small groups, classroom-based program, or community settings, as recommended for ESY
- Classroom-based program for children eligible for ESY, in order to maintain skills learned in the school year
- Special transportation to RECC sites for the classroom program if determined by the IEP team
- Note: Students with changes to pick-up and drop-off address after June 7th cannot be guaranteed service for the beginning of the program.
